

Douglas A20G Havoc

1. Airspeed indicator
2. Artificial horizon
3. Variometer
4. Left engine manifold pressure
5. Right engine manifold pressure
6. Magnetic compass
7. Altimeter
8. Magnetic compass
9. Turn and bank indicator
10. Left engine tachometer
11. Right engine tachometer
12. Flaps and gear position indicator
13. Left engine oil temperature gauge
14. Right engine oil temperature gauge
15. Left engine oil pressure gauge
16. Right engine oil pressure gauge
- 17.
- 18.
19. Left engine carburetor air temperature gauge
20. Right engine carburetor air temperature gauge
21. Fuel gauge
22. Left engine cylinder head temperature gauge
23. Right engine cylinder head temperature gauge
24. Left engine throttle
25. Right engine throttle
26. Left side propeller pitch lever
27. Right side propeller pitch lever
28. Left engine supercharger lever: down position - stage 1
up position - stage 2
29. Right engine supercharger lever: down position - stage 1
up position - stage 2
30. Bomb release lever
