

1. Water injection warning light
2. Stall warning light
3. Altimeter
4. Magnetic compass
5. Repeater compass
6. Artificial horizon
7. Clock
8. Oil temperature gauge
9. Tachometer
10. Manifold pressure gauge
11. Airspeed indicator
12. Turn and bank indicator
13. Variometer
14. Cylinder head temperature gauge
15. Oil pressure gauge
16. Fuel pressure gauge
17. Fuel main tank gauge
18. Hydraulic pressure
19. Voltage
20. Fuel tank pressure gauge
21. Cooling flaps: oil cool
22. Cooling flaps: intercool
23. Cooling flaps: engine
24. Wing fold lever: front position - wings folded
rear position - wings extended
25. Rudder trim wheel
26. Elevator trim wheel
27. Aileron trim wheel
28. Propeller pitch
29. Throttle
30. Supercharger lever: front position - stage 1
middle position - stage 2
rear position - stage 3
31. Engine mixture: rear position - 100% mixture
front position - 120% mixture
32. Gear lever

33. Flaps lever
34. Undercarriage/air brakes pos.: left position - up
right position - down
35. Arrester hook lever: front position - down
rear position - up
